Chevrolet & GMC Pick-ups Automotive Repair Manual

Using a Haynes manual is like having a mechanic in every book. Our mechanics and writers work together on the project vehicle to arrive at the best possible procedures for the home mechanic and then photograph the actual work and write instructions so the reader can easily follow along. Haynes manuals include procedures for everything from routine maintenance to complete engine overhaul, and include wiring diagrams in the back of each book. The unique nature of Haynes manuals - with each one written and photographed from the \"hands-on\" experience gained by a complete teardown and rebuild of the vehicle - continues to set Haynes manuals apart from all others.
